

# **Apartamenty przy Krasinskiego ready to welcome residents**

Thursday, 1 August, 2013

Atlas Estates has informed that the occupancy permit received from construction supervision authorities for Apartamenty przy Krasinskiego residential estate has become legally valid (permanent). As a result the developer has initiated the process of handing in apartment keys to their residents. The company has also informed that it has already sold almost 80% of all flats in the property. In order to further increase the offer's attractiveness it provides services and promotions connected with flats' fit-out and interior design.
