

Atlas Estates handed over 80 TV sets for social purposes

Thursday, 6 February, 2014

Atlas Estates provided 80 TV sets for 16 different educational and social welfare institutions within a charity project called "Window on the world". Among the recipients there are children's homes, schools and kindergartens as well as education and childcare centers operating for the benefit of children and families, most of them located in or near Warsaw. Atlas Estates' staff engaged in the project in act of employee volunteering. Atlas Estates decided to pass on the LCD, Philips brand TVs in connection with periodic replacement of equipment at the Warsaw Hilton hotel, whose building belongs to the real estate company. All handed over appliances are in good condition.
