

# **Atlas Estates has completed ConceptHouse Mokotow's construction**

Thursday, 11 April, 2013

Atlas Estates has acquired a final occupancy permit for ConceptHouse Mokotow, its Warsaw-based residential building located at 7a Obrzezna St. This means that construction works, run by general contractor Warbud, were completed according to the schedule. Atlas Estates has also exceeded the value of 50% of flats sold in the building. Soon, the sales results may be even better as the developer offers a special offer “Horn of plenty full of rebates” until the end of April. Thanks to this promotion clients may gain various discounts, whose total value may reach as much as PLN 50.000.
