

# **Atlas Estates has sold 1000 flats and apartments in Warsaw**

Thursday, 22 March, 2012

During the six years of Atlas Estates' presence on Warsaw residential market, the company has sold 1000 flats and luxury apartments in its four investment projects Warsaw, worth more than PLN 600 million and with total premises of 60 thousand sq. m. The newest sales results mean that the developer has sold almost 30% of flats in its two new residential projects: ConceptHouse and Apartamenty przy Krasynskiego. On this occasion Atlas Estates offers a new promotion "iPad for recommendation": new clients and persons recommending the developer to them can receive a tablet.
