Friday, 15 March, 2013

This weekend Atlas Estates invites potential clients for Open Doors days in its three residential estates in Warsaw: ConceptHouse Mokotów, Apartamenty przy Krasynskiego and Capital Art Apartments. The main attraction waiting for visitors is the new special offer “Horn of plenty”. As a result of its introduction flat buyers may count on discounts amounting up to PLN 50,000. The form of the rebate may be fitted to clients’ needs and take the form of: covering by the developer the costs of several month’s rent or of notarial fees, of a rebate for a flat or its fit-out, or of a discount for a store-room or a garage place.
