

Atlas Estates leased 10,000 sq. m of space at Millenium Plaza

Wednesday, 19 August, 2015

Atlas Estates summarized lease agreements signed in recent months with tenants of commercial space at the Millenium Plaza building in Warsaw. Till the end of July 2015 the company signed contracts for the total premises of 10,500 sq. m. Raya Contact Center Europe has joined the building's tenants by renting over 1,000 sq. m. of offices. Groupon increased the space it leases by additional 1,600 sq. m., while Dell and Wipro have prolonged their lease agreements for offices. As far as services are concerned, modern fitness studio McFit is expected to open in September in Millennium Gallery and club Level 27 is already operating on the building's top floor, offering the terrace with an extraordinary panorama of Warsaw's city centre.
