

Atlas Estates main sponsor of Homplex Interiors contest for designers

Wednesday, 6 March, 2013

Atlas Estates became the main partner of contest for designers and decorators Homplex Interiors. The designs prepared by contestants will be based on layouts of flats in three developers' Warsaw-based residential estates: ConceptHouse Mokotów, Apartamenty przy Krasinskiego and Capital Art Apartments. As the main sponsor, Atlas Estates will finance prizes for contest winners. Company's engagement in this initiative is aimed at supporting talented interior designers and architects so that they can demonstrate their skill and creative potential. Developer's clients will also gain as they will be able to inspire themselves with the prize-winning designs as well as to effect them in their flats.
