

Capital Art Apartments' 3rd stage flat sales launched

Monday, 23 April, 2012

On April 24th Atlas Estates begins selling flats which will be built within the third – and at the same time the last - phase of Capital Art Apartments residential estate's development. In the two new buildings there have been planned 265 flats, whose premises will vary from 34 to 103 sq. m. and whose prices will range from PLN 7700 to PLN 9300 (gross) per sq. m. The estate, located in Gioldowa Street in Warsaw, on the border of Wola and Srodmiescie districts, has all advantages connected with nearness of the city centre. New clients have an opportunity to join the owners of the 500 flats which have already been purchased in this property.
