

# **Millennium Plaza rents offices and modernizes infrastructure**

Tuesday, 20 August, 2013

Atlas Estates, the owner of Millennium Plaza, signed rental agreements for over 2.5 thousand sq. m of office space in the building, located in the center of Warsaw. The biggest new tenant is Izi Office (1005 sq. m), a company offering ready-to-use office space and support services for businesses. Another 282 sq. m have been leased by Impel Cash Solutions, a company managing the transportation of cash and funds. Apart from that some of the insofar tenants, including Golden Floor conference center and Alior Bank, have increased the size of premises they rent. In order to increase the comfort of office workers new air-cooling facilities have been deployed in the building.
