A new coffeheaven venue has been recently opened in Millennium Plaza, located in Jerozolimskie Alley, Warsaw. CHI Polska, which manages coffeheaven cafes, has rented 92 sq.m. of premises on the ground floor of the building for 10 years. In this manner the company has become the sixth tenant that has signed a rental contract with Millennium Plaza's owner, Atlas Estates, since December. All these six firms rent now the total area of over 11,000 sq.m. Among them there is Assecco, which has prolonged its rent agreement for 8,500 sq.m. As for the new tenants, IT consulting company Wipro rents now 1,500 sq.m. of office space and Golden Floor, which specializes in organizing conferences, events and business meetings, has now over 700 sq. m. at its disposal.
