

# **Record sales of Atlas Estates' apartments**

Friday, 28 February, 2014

Atlas Estates has summarized sales results generated in its residential estates located in Warsaw. In 2013 companies related to Atlas Estates signed preliminary sales agreements concerning 284 residential units, which translates into an increase of 35% compared 2012 and the best result in the history of the company's operations on the housing market. This figure also means that within 12 months contracts were signed for 43% of all flats and apartments that have been in the offer in the discussed investment projects (ConceptHouse Mokotów, Apartamenty przy Krasińskiego and Capital Art Apartments).
