

# **Roof-topping at Capital Art Apartments' last building**

Wednesday, 18 June, 2014

Atlas Estates has informed about the completion of the reinforced concrete structure of the last building (E2) in its Capital Art Apartments residential estate, located at 4 Gioldowa St. in Warsaw, near Rondo Daszynskiego underground station. This means that the building has reached its maximum height of 8 floors. The company has also summarized insofar sales results in the estate. They indicate that 70% of 265 flats from the 3rd stage of the investment project have already been sold, including 80% of 189 flats from the first phase of this stage of construction (buildings D and E1, to be completed in Q4 2014) and 40% of 76 flats from the second phase (building E2, to be completed in Q3 2015).
