

Roof-topping of buildings from Capital Art Apartments' third phase

Tuesday, 14 January, 2014

Atlas Estates has informed about the conclusion of construction works aiming at roof-topping of Capital Art Apartments' building D and building's E first phase. As a result both buildings from this residential estate, located at 4 Geldowa St. in the centre of Warsaw, some 200 meters from Rondo Daszynskiego underground station, reached their maximum height of 8 floors. Atlas Estates has also summarized its insofar sales results which indicate that 121 out of 189 flats, which translates into 65% of all units available for purchase in the estate, have already been sold.
