

# Second edition of Homplexowe Wnetrza interior design contest concluded

Monday, 27 May, 2013

On May, 23 an official gala took place to conclude the second edition of Homplexowe Wnetrza interior design contest. 330 registered participants sent in 155 designs, which were taken into consideration while granting awards worth PLN 40,000. Awards and distinctions were handed to 22 interior architects and decorators and 15,000 votes were allocated while granting the audience award. The task in this contest edition was to create designs and photorealistic visualizations of kitchens and bathrooms. It was organised by Homplex, owner of [www.homplex.pl](http://www.homplex.pl) portal, and its main partner was developer Atlas Estates. Contest designs were based on flat layouts from Atlas Estates three residential estates: ConceptHouse Mokotow, Apartamenty przy Krasinskiego and Capital Art Apartments. Atlas Estates funded awards for contest winners and will promote contest participants through presenting their works on its websites and in its sales offices.
