

Two more buildings in Capital Art Apartments with occupancy permit

Monday, 19 January, 2015

Atlas Estates announced that construction supervision authority granted a final occupancy permit for buildings D and E1 at Capital Art Apartments. Therefore, the developer began arranging meetings for clients to take over their premises. The estate, located in the vicinity of the Rondo Daszynskiego underground station, entertains high demand. There are only 19 units left for purchase, which means that 92% of the apartments from the third phase of this investment project have already been sold.
